San Diego, CA – Tonight, February 20, at 6:30 p.m., Joe Kocurek, Staff Representative for State Assembly Member Lori Saldaña, 76th District, will provide a Community Briefing on why the Assembly Member supports smart energy alternatives to SDG&E's damaging Sunrise Powerlink proposal. Assembly Member Saldaña has spoken out in support of clean, local distributed generation instead of the harmful, unnecessary Sunrise Powerlink, which would increase the region's dependence on imported, fossil-fueled power. Meeting attendees will also learn about the upcoming Sunrise Powerlink Public Hearings.
